Policy Statement

Safety, Health, Environmental & Quality Statement of Intent

Enva's Management Systems scope, accredited to ISO9001, ISO14001 and ISO45001, relates to the provision of waste management services and laboratory services. Collection, treatment and transfer of waste oils, other permitted waste streams and the manufacture and sale of fuel products.

Enva recognises that Health, Safety, Quality, and Environmental issues relevant to our office, processing areas and logistics operations, are a fundamental part of our business. Our objective is to meet and where possible, exceed the requirements of all applicable legislation and Group policy. This will be achieved whilst addressing the needs of the business and maintaining our accredited Management Systems. Wherever possible, Enva shall commit to the implementation of identified best practice through its Management Systems.

In particular we shall:

- Continue to develop a positive Safety, Health, Environmental & Quality culture across the organisation involving employees in the development and implementation process.
- Ensure all employees and contractors take responsibility for working in a manner that promotes quality, minimises the risk of harm to the environment and promotes the Health & Safety of employees, contractors, visitors and members of the public.
- Assess the level of risk from all significant health, security, safety and environmental hazards and so far as reasonably practicable, ensure that they are eliminated or adequately controlled.
- Provide appropriate leadership, information, systems of communication, instruction, development training, retraining and supervision in health and safety to maintain and continuously improve the competence levels of all employees.
- Monitor and minimise the health, safety and environmental impact of our operations where reasonably practicable.
- Communicate, consult and encourage participation of employees and interested parties.
- Ensure full compliance with applicable legal requirements, Approved Codes of Practice and industry specific guidance and Protocols related to our Safety, Health, Environmental & Quality processes and corporate business strategies; these will be regarded as minimum standards of achievement.
- Allocate sufficient financial and physical resources to achieve our objectives.
- Accurately assess customer requirements, ensure that the quality of service delivered consistently meets or exceeds expectations and respond effectively to any concerns about the level of service provided.
- Regularly monitor, audit and review our own, contractors' and suppliers' performance to ensure continual improvement.
- Regularly review Company assets and security measures to minimise losses

Policy Statement

- Maintain and communicate a COVID19 response plan and policy
- Provide an independent OH advisory service targeting health screening and health surveillance for each employee where appropriate.

The Director and Management Team are responsible for Safety, Health, Environmental & Quality at Enva. They are supported in this role by the Safety, Health, Environment, and Quality Manager who, as a management representative, is responsible for developing the Company's policies and procedures in line with current Health, Safety and Environmental legislation and for monitoring/auditing compliance with the systems.

This Policy Statement is reviewed at least annually, and is communicated to employees, contractors and suppliers; prominently displayed for visitors and will be made available to the public, stakeholders and any other interested party on request.

Instructions in the event of an accident

You should

1. take names and addresses of all witnesses;
2. report the accident to the office issuing this Certificate (see overleaf) or if this is not practicable, to the nearest office (see Telephone Directory) quoting the Certificate Number;

3. If your policy is comprehensive put us in touch with your garage; if your vehicle is in use tell us when and where you intend taking it for repair;

4. send all communications you receive relating to claims or proceedings against you, unanswered, to the office with which you normally deal quoting, if known, the claims reference.

IMPORTANT

The Law requires:

1. unless names and addresses, including those of the vehicle owner, together with the registration mark of the vehicle are exchanged at the time of the accident the driver must report it to the Police as soon as possible and in any case within 24 hours;
2. if anyone was injured and the Certificate of Insurance was not produced to the Police at the time of the accident, the driver must report the matter to the Police as soon as possible and in any case within 24 hours and produce the Certificate (or arrange to produce it within five days of the accident).

You should not

1. admit any liability;
2. negotiate or make any agreement with anyone regarding your responsibility for the accident;
3. make or offer any payment whatsoever to any Third Party, if in doubt – consult us;
4. repudiate a claim without our agreement; this may result in Court Action against you by the other party
