Entry Form

Recycling Superhero!

We need your help to design a Recycling Superhero! A hero character that can be as creative and bold as your imagination!

To coincide with Recycle Week 2021, we'd like the Recycling Superhero to encourage more people to sort the correct recyclable items into the right bin to ensure as much of material as possible is recycled.

- Competition entries should be no larger than A4 size.
- Entries can be submitted by email to sustainability@enva.com or by post to Superhero Competition, Enva Scotland Limited, 49 Burnbrae Road, Linwood, Renfrewshire PA3 3BD.
- Closing date for entries is Friday 08.10.21.
- Three winners will be selected from the entries received, with 1st prize being awarded a £50 gift voucher, second prize a £30 gift voucher and third prize a £20 gift voucher.
- All artwork submitted must be the original work of the individual who has entered, and the young person must be aged 12 or under. A Parent/ Guardian over 18 should submit the entry and include contact details. By entering the competition, you agree to entries being shared via Enva and ScotRail communication and media platforms.
- See enva.com/recycling-hero for [Competition T&C's](#)

The Recycling Superhero will encourage passengers on our trains and visitors to our stations to recycle using the recycling bins provided.

Our Superhero will remind people when they go to their workplace or back home, to sort the correct recyclable items into the right bin to ensure as much of material as possible is recycled.

When it's done right, recycling is one of the easiest everyday actions we can take to reduce our carbon footprint.

**Remember to include contact details with the competition entry.
Good Luck!**
